

Tuning Into Kids

emotionally intelligent parenting

A six session program for a parent/caregiver
of children aged between 3 to 7 years

Does your child:
Have difficulty managing their emotions?
Explode easily?
Become fearful in many situations?
Find conflict challenging?

Learn about teaching your child
to understand and regulate
their emotions, in a small,
friendly group environment.

\$395 ~ concession fee available
to eligible participants with GP referral

*for a parent/caregiver only to attend, no children please.
