What is Tuning in to Kids?

This innovative and interactive evidence-based group parenting program helps parents teach their children to understand and regulate their emotions. A structured manual is used in program delivery.

What is included in the training?

The training will teach professionals the key skills taught to parents in the program using direct teaching, watching DVDs, demonstration, small group exercises, role plays and group discussion.

Also included
Program Manual

First name

Surname

Organisation

Street

Suburb

State

Post Code

Phone

Email

Dietary requirements

To become a certified Tuning in to Kids Facilitator, some graduate training is preferred.

Please list any graduate qualifications

If none apply, please contact us to discuss training in this program
